

## Nobel Prize Series India 2018: “Education: Powering National Growth”

Nobel Prize Series aims to stimulate creative thinking, bringing together Nobel Laureates, other experts and lifelong learners. This unique programme combines an exhibition, conference, lectures, roundtables and other meeting spaces. By sharing achievements and stories of Nobel Laureates with a global audience, this official Nobel programme inspires engagement in science, literature and peace in line with Alfred Nobel’s vision. The Nobel Prize Series, India 2018 will commence on February 01<sup>st</sup>, 2018 at Goa and will conclude at Rashtrapati Bhavan, New Delhi on February 5<sup>th</sup>, 2018.
